

POST GRADUATE DIPLOMA IN CORPORATE GOVERNANCE

Intakes: January, June & September

**Venue : Eco Bank Towers, 9th Floor - Nairobi
KCA University Kisumu - Swan Centre**

Introduction:

The concept of "governance" is as old as human civilization. "Governance" refers to the process of decision-making and the process by which decisions are implemented (or not implemented).

Governance can be used in several contexts such as corporate governance, international governance, national governance and local governance. Therefore, an analysis of governance should focus on the formal and informal actors involved in decision-making and implementation of these decisions.

This comprehensive course has been especially designed to provide insights and an interactive forum where decision makers in society can be equipped with the necessary skills enabling them to put in place the formal and informal structures to arrive at and implement the appropriate decisions.
