## KRA LAUNCHES ITS FIRST TAX SOCIETY AT KCA UNIVERSITY

**K**enya Revenue Authority (KRA) launched its first Tax Society on 19th April, 2016 at KCA University.

The society hosted by the School of Professional Programmes (SPP) is amongst the linkages that the taxman is seeking with academia to provide tax education to society and a tool for students to earn income as they assist other members of society in filing their returns.

The ultimate objective of the society is to establish a Tax Scholarship to fund outstanding students on tax education in future as well as provide internship opportunities at KRA. The patron of the society is Mr. Faustin Mwinzi, Deputy Director, School for Professional Studies.

**I GOT FIVE CONSULTANCIES FROM MY FELLOW ALUMNI**

“ Ever since I joined the Alumni Association of KCA University (AAKCAU), I have received five different consultancies from my colleague, said Noah Ndakala.

When he first heard AAKCAU meeting he was not upbeat, but made a decision to show up anyway.

He first attended his first alumni meeting last year at town campus where a guest speaker had been invited to engage them. Ms. Susan Aduwo, Director of Resources Mobilization and Alumni Relations later held discussions with the team and closed the meeting. Immediately Mr. Ndakala started chatting up

### Building a Successful Team

#### 25 Under 25 Moments with Mike Eldon, KCAU Council Chair

Mike Eldon, KCA University's Council Chairman took time-off his busy schedule to speak to 25 under 25 young Kenyans on team building for success.

He took the young entrepreneurs through an interactive session and later to the field for team building exercises.

**SUPPORTING RUGBY IN UNDER SERVED AREAS**

KCA University in partnership with Shamas Rugby Foundation (SRF) and G4S Bubeshi Rugby Foundation (SA) has been hosting rugby sessions for children from low income areas of Mathare and Huruma since 2014.

This includes a weekly training and quarterly life skill session at KCAU, Ruaraka.

The just concluded life skills training reached out to 1000 primary and secondary school pupils selected from the area.

**T**ogether with our partners, we believe that the training will enhance internal life skills that will help these young children grow into responsible and well-rounded adults, said Edoardo De Paoli, CEO Shamas Rugby Foundation

The partnership is a KCAU's Corporate Social Responsibility (CSR) investment managed by Corporate Affairs and Communications Department and Students Affairs Unit.
